

St. Madeleine Sophie At-Home Learning Plan

1. **Classes via Zoom will only be held if there is a class exposure and/or a whole class is shut down.**
2. *If your child is not feeling well, we will treat these like sick days! Any work missed while your child is sick can be made up when they return to school. Please allow for normal rest and recuperation.*
3. Please contact your child's teacher as they will work with your family to provide either paper or digital assignments, on a case-by-case basis.
4. If possible, please arrange for a materials pick-up if your child will be home for a quarantine.
5. Contact the school office to report positive cases, exposures, symptoms and to talk through a "return to school" plan.

GRADES PK-5

CLASS	What will I do if my child is out for a short absence or appointment? ↓	What will I do if my child is out for a 5 or 10-day quarantine? ↓	What will I do if my child is out for a whole-class exposure? ↓
